(Entries: Men – 35 : Women - 35)

The draw for the 2010 Mid-Week League is attached.

1. The winner/s in each section will be the team/s with the highest points – they will continue in the play-offs and play on a knock-out format to determine the overall winner.
2. The team with the second highest points (plus shot aggregate) in the section, will also continue in play-offs in a separate knock-out competition, being 1st Plate.
3. The team with the third highest points (plus shot aggregate) in the section, will also continue in play-offs in a separate knock-out competition, being 2nd Plate.

Please ensure all skips/players are aware of the above conditions of play prior to commencement of tournament.

Each section will move to a different venue each week, as per schedule for each section. One designated Tournament Official will move with the section, together with charts. At the staging clubs one responsible official must be on duty to accept green fees and ensure all facilities are available, such as greens laid out and umpire on duty.. Green fees – suggest R7.00 per player.

Before start of play teams must be declared on the form provided – teams may consist of 4, 5 or 6 players, but after the declaration form has been completed no alteration will be permitted. However, if teams are reduced to three actual players substitutes will be allowed in accordance with the provisions PNB Circular 19/2005.

TEAMS MUST FULFIL ALL THEIR COMMITMENTS as shot difference will determine the second and third play-offs for the plate being 1st Plate and 2nd Plate.

N.B. Players are requested to note that the playing schedule will be strictly adhered to. If any round or rounds are not played as a result of inclement weather they will not be replayed – teams will receive 1 (one) point for the washed-out game (15 ends **do not** constitute a game in this competition).
